BROKERS ON 'CHANGE DURING DAY.

New York, Feb. 26.—The stagnant condition into which the stock market fell today leaves it a sterile field from which to draw any lesson bearing on general affairs, except as influences may be deduced negatively. The influences is fully institled for instance. may be deduced negatively. The inference is fully justified, for instance, that speculative initiative has died out of the market. No one is willing to express faith in future events through the medium of commitments in the market. Irresolution and apprehension are implied by this abstention. The scanty attendance at the stock exchange gave at its time to the discussion of the grounds for this attitude. The contents of the report of President Truesdale to the stockholders of the Delaware, Lackawanna & Western, to which much space was given in the day's news, gave direction to this discussion. It was known early in the day that a message to congress from the president was to be sent in during the day, and some repressive influence was assigned to this. The neglected condition of the market was unrelieved after the abstract of the message was printed.

# Cure Others — I Can Cure You

POSITIVE CURE IS WHAT YOU WANT

For over 20 years I have been building up weak, nervous, broken-down men, who have become mental and nervous wrecks, and am the Specialist who cures by Electricity with Absorption. It cured 15,000 men last year and it will cure you. It will pay you to call and see me and investigate my New System. I diagnose by exclusion. I will give you FREE a thorough examination and make chemical analysis and microscopic examination in every case where it is essential to the welfare of the sufferer. I do not experiment or practice guesswork in any sense. I CURE, and cure for life, remember.

REMARKABLE CURES

Perfected in Old Cases Which Have Been Neglected or Unskillfully Treated.
